7th Scholarship Program of the Quebec InterSectoral Flood Network (RIISQ)

Postdoctoral Fellowship

Application Form – 2027–2028 Competition

Only postdoctoral candidates at a Quebec university during the fellowship period whose supervisor is a RIISQ member may apply.

To submit an application, the candidate must:

- Read the **program description** (available on the RIISQ website) and ensure that the eligibility criteria are met;
- Complete this **application form and attach the project schedule**;
- Attach a **short CV** (maximum 2 pages);
- Attach a copy of **your doctoral diploma** or proof of completion;
- Attach a **letter from the supervisor, who must be a RIISQ member**. The letter must, among other things: (a) confirm the supervision, and (b) describe the support and mentoring that the candidate will receive from the institution and, where applicable, partners;
- Ensure that you **are (or become) an associate member of RIISQ** when the application is submitted (visit https://riisq.ca/fr/membres-et-partenaires/).

The complete application must be emailed as ONE PDF DOCUMENT
to bourses@riisq.ca no later than January 15, 2027, at 12:00 noon (EST).

The application may be written in French or English. However, if it is submitted in English, a French translation of the project title and abstract must be included.

Incomplete or late applications will not be considered. Postal submissions will not be accepted.

REQUIRED DOCUMENTS (PDF FORMAT – ONE DOCUMENT ONLY):

- The completed **fellowship application form**, including the schedule (Gantt chart);
- A **short CV** (maximum 2 pages);
- A copy of **transcripts for the entire university record** (the transcript need not be official; it may be an uncertified institutional copy);
- A **letter from the supervisor**, a regular member of RIISQ, who supervises the candidate's research.

A. IDENTIFICATION FORM

Candidate identification

Last name, first name	
University | Department	
Program of study	
Email address	

Identification of the research supervisor

Last name, first name	
University | Department	
Title | University status	
Email address	

Co-supervisor identification, if applicable

B. FELLOWSHIP PROJECT TITLE AND ABSTRACT

Research project title

Research project abstract *(maximum 300 words)*

C. PROJECT DESCRIPTION

Which research theme(s) does this project address? (to consult the research themes: https://riisq.ca/fr/axes-de-recherche-2/)

☐ Theme 1 ☐ Theme 2 ☐ Theme 3 ☐ Theme 4 ☐ Theme 5

Which sector(s) does the project concern?

☐ Nature and Technology ☐ Health ☐ Society and Culture

C1. Project context: problem, project rationale, originality/innovation, and links to the specific theme of the call aimed at improving the theoretical conceptualization of floods and other risks related to hydrometeorological hazards and their consequences in Quebec through a systemic approach. The program welcomes diverse research problems, theoretical and methodological approaches, disciplines, and forms of knowledge, consistent with at least one of RIISQ's five research themes. Also explain the link(s) to RIISQ's research themes and the FRQ sectors *(maximum 400 words).*

C2. Project objectives and research questions *(maximum 200 words)*

C3. Methodology *(maximum 400 words)*

C4. Contributions to theoretical, empirical, and practical knowledge. For example, describe the project's expected outcomes for supporting preparedness, adaptation, management, and responses to systemic risks associated with combinations or accumulations of hydrometeorological hazards in Quebec. Specify the direct or indirect benefits for professional communities and Quebec society *(maximum 250 words).*

C5. Project schedule (attach a Gantt chart)

The form must be sent to the following email address: bourses@riisq.ca.

MAKE SURE TO PROVIDE ALL REQUIRED DOCUMENTS IN A SINGLE PDF DOCUMENT
